TK Parent Facebook Group

Looking for a way to connect with other TK parents and families? We have created a private Facebook group that invites families to connect with each other, support each other, and build a community. Please feel free to use this group in ways that feel supportive to you and your family! To become a member of this group, please use this [link](#) to submit your email address that is connected to your Facebook account. An invitation to join the group will be sent to your email.

Accountability and Advancement

Join us for a Patient & Family Advisory Committee virtual meeting.

What is PFAC? PFAC is a space for those who have worked with TK to collaborate with the organization to improve and develop practices and policies that are informed by patient/family perspectives. The goal of PFAC is to support TK in improving and evaluating their practices and policies by patient engagement, collaboration, and creative innovation. PFAC quarterly meetings are held virtually via Microsoft Teams Video and facilitated by Transitions Kids team members.

When: Tuesday October 15

Time: 5:30–7:00 pm.
