Welcome New Staff

Roxanne Baker, RN

I've been an RN for six years, specializing in oncology and rehab medicine. I was a hospice volunteer for a long time and an end of life doula. I also did MAID volunteer work in Seattle, WA. The end-of-life care is my passion because it teaches us so much about how to truly live well. Other things I like to do in my spare time include spending time in the woods learning as much as I can about the natural world, cooking elaborate meals, and spending time in the pottery studio.

The goal of PFAC is to support TK in improving and evaluating their practices and policies by patient engagement, collaboration, and creative innovation. PFAC quarterly meetings are held virtually via Microsoft Teams Video and facilitated by Transitions Kids team members.

When: TBD
